New Solutions for Qualitative Business from Pearson Canada

The future of education, right now.

We’re excited about our Qualitative Business offerings for 2016. They provide diverse coverage in the disciplines of Business Law, CIS, Introduction to Business, Management, Marketing, MIS and Organizational Behaviour.

Selecting from the covers below will provide you more information about the products with Sample Chapters, Product Flyers and Table of Contents.

See the Pearson Canada Higher Ed catalogue for our full line of products from these disciplines.

Results of our Qualitative Business products

More than 11 million students have used our learning technologies worldwide. Over the past decade, we’ve worked closely with students and educators to track results, holding ourselves accountable for not just the products we make but also for the learning gains we help make possible.
