

Byrd & Chen's Canadian Tax Principles, 2014-2015 Edition, Volume I & II with Study Guide

Clarence Byrd, Athabasca University
Ida Chen, Clarence Byrd Inc.

ISBN: 9780134000510

Available August 2014!

Written in an accessible style, this text assumes that the student has no previous education in taxation.

Byrd & Chen's Canadian Tax Principles, 2014-2015 Edition, can be used with or without other source materials (this includes the *Income Tax Act*, Information Circulars, Interpretation Bulletins, and other official materials). The *Income Tax Act* is referenced in the text where appropriate for further independent study. Students should be able to solve all of the end-of-chapter material by relying solely on the text as a reference. The text and problem materials are comprehensive of the syllabus requirements of the Canadian professional accounting bodies.

Features

- **NEW: Supplementary Self Study (SSS) Problems.** New to this edition, these problems provide students with additional practice in problem solving. A total of 60 Supplementary Self Study Problems with detailed solutions are included on the Student DVD. This is in addition to the more than 200 Self Study Problems in the textbook. There are at least three Supplementary Self Study Problems for each chapter.
- **Tax Software Problems** designed to be solved using Intuit Canada's ProFile tax return preparation software. The solutions to the Self Study Tax Software Problems are provided to students in the *Study Guide*.
- **Extensive and varied Assignment Problems** for use in the classroom. Solutions to these problems are provided only to instructors.

Study Guide

The *Study Guide*, which comes packaged with the text at no additional cost, contains the following items:

- "How to Work Through the Chapter" for each chapter.
- Learning Objectives for each chapter.
- Solutions to the Exercises, Self Study Problems, and Self Study Tax Software Problems in the textbook.
- Two sample personal tax returns and one sample corporate tax return.
- A 20-page Glossary.

Student DVD

The Student DVD contains student resources, the CPA's Federal Income Tax Collection (Act and Bulletins), an electronic version of the textbook integrated with CPA's Infobase, and more, including:

- Practice Exams for students with detailed solutions and marking guides for Chapters I to II.
- PowerPoint Presentations.
- Glossary Flashcards.
- Tax Return Files to accompany the sample tax returns in the *Study Guide*.
- Supplementary Readings on specialized tax topics.
