

Go Digital *in* Psychology

Going digital is already part of students' lives. That's why Pearson titles are available in digital and print formats. Students can purchase digital titles through MyLab products, CourseSmart, and more—all while saving up to 60%. Let students know about their options in your syllabus.

Lifespan Development (Chronological)

Boyd, Johnson & Bee Lifespan
Development, 5ce 
©2015, 9780205984770

MyVirtualLife

MyVirtualLife is two simulations
in one. The first simulation allows
students to raise a child from birth
to age 18 and monitor the effects
of their parenting decisions over
time. In the second simulation, they
make first person decisions and see
the impact of those decisions on
their simulated future self during
their life span. To learn more, visit
www.myvirtualchild.com.
