

Psychology

New titles for your fall 2013 classes

Unless otherwise noted, the ISBN listed is a package that includes both the textbook and the corresponding MyLab product.

Go DIGITAL

You can instantly access your digital review copy through CourseSmart, which has free apps for your phones, tablets, and laptops. Visit coursesmart.com to get started. Going digital makes learning more affordable and more accessible. Students can get their Pearson titles on the devices they love through Pearson's MyLab products, CourseSmart, Amazon, and more.

MyVirtualLife

MyVirtualLife is two simulations in one. The first simulation allows students to raise a child from birth to age 18 and monitor the effects of their parenting decisions over time. In the second simulation, they make first person decisions and see the impact of those decisions on their simulated future self during their life span. To learn more, visit www.myvirtuallife.com.

BREAK THROUGH

To a world of engaging digital content

www.pearsoned.ca/psychology

MyPsychLab[®], MyDevelopmentLab[®], MySearchLab[®], and MyStatLab[™]

MyPsychLab, MyDevelopmentLab, MySearchLab, and MyStatLab are online homework, tutorial, and assessment programs that truly engage students in learning. Both help students better prepare for classes, quizzes, and exams—resulting in better performance in the course—and provide educators with a dynamic set of tools for gauging individual and class performance. And, they come from Pearson, your partner in providing the best digital experiences.

To learn more, visit www.mypsychlab.com, www.mydevelopmentlab.com, www.mysearchlab.com, or www.mystatlab.com.

Give your students choices

Pearson titles are available in a variety of formats—digital and print—so students can access them however they like. Tell your students to check for their title on their favorite digital provider: CourseSmart, Amazon, Pearson MyLab, and more. Other options for students include a printed text with a Pearson MyLab product; a three-hole-punched, loose-leaf version; or even your own custom-built course material.

Contact your Pearson representative for more information.
